Christine,

I haven't heard from Will, so assume that he made it into town. I expect that he will check in t some point. He will be touching on CZARA with DeFazio, Wyden and Merkley, and touch on other issues as well.

Makes sense from my perspective to have Dennis make calls to staff. Every voice helps, I think...especially theirs.

Thanks, J.

Folks, just wanted to let you know that Dennis has cancelled his trip to D.C. this week because of the weather and all the flight cancellations. So, recall that he was going to visit with elected officials and/or their staffs in DeFazio's, Merkley's and Wyden's office and now that's off. So, he said he was willing, able and available to make calls to them instead. So, given our plans to offer the Congressionals a staff briefing this Thursday, I believe, I'm thinking that Dennis should call beforehand, perhaps Wednesday. Dennis did say that Richard Whitman had a meeting with DeFazio's and Wyden's staff and that it was positive.

Would like your thoughts/perspectives. Also, don't know whether Will has made it to DC and can carry some of the water on CZARA with the Congressionals.

Thanks.
